

# Scandinavian Oval

4407

## Single rim cylinder (outside)

**ASSA ABLOY**

### Application:

For use with ASSA Modular, Rim, Connect and Narrow Profile lockcases.

### Specification:

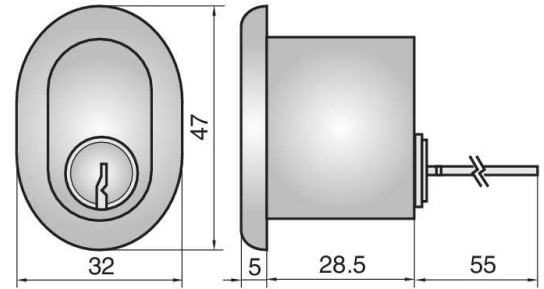

The cylinder is fixed to the lockcase with two brass screws which can be cut to length.

Supplied with rim cylinder sleeve.

Sleeve is not required when used with Connect 35mm backset lockcases and Narrow Profile accessories. When using S4 narrow profile double accessories (only) specify two 4407 single outside cylinders rather than a double cylinder.

### Finish:

- Satin Chrome (13)
- Polished Brass (20)

### Standards:

BS EN 1303 : 2005 SG6
